STATEMENT AGAINST MODERN SLAVERY, FORCED LABOR AND CHILD LABOR

Product Name: **DAIKON RADISH SEED OIL**

Product Code: PCO4111

As a global corporation engaged in the procurement and sale of goods internationally, Nature In Bottle deplores the presence and persistence of Modern Slavery, Forced Labor and Child Labor, and takes seriously its responsibility to ensure that Modern Slavery, Forced Labor and Child Labor does not take place in its supply chain or in any part of its business.

"Modern Slavery" in this statement refers to slavery, forced or compulsory labor, trafficking, servitude, and workers who are imprisoned, indentured, or bonded.

"Child Labor" refers to work performed by someone under 15 years of age, as set forth in the International Labor Organization (ILO) Minimum Age Convention No. 138 (unless local minimum age law stipulates a higher age for work or mandatory schooling, in which case the higher age would apply).

As it is electronically generated document, hence no signature required.

Disclaimer & Caution: Please refer to all relevant technical information specific to the product, prior to use. The information contained in this document is obtained from current and reliable sources. Nature In Bottle provides the information contained herein, but makes no representation as to its comprehensiveness or accuracy. Individuals receiving this information must exercise their independent judgment in determining its appropriateness for a particular purpose. The user of the product is solely responsible for compliance with all laws and regulations applying to the use of the product, including intellectual property rights of third parties. As the ordinary or otherwise use(s) of this product is outside the control of Nature In Bottle, no representation or warranty - expressed or implied - is made as to the effect(s) of such use(s), (including damage or injury), or the results obtained. The liability of Nature In Bottle is limited to the value of the goods and does not include any consequential loss. Nature In Bottle shall not be liable for any errors or delays in the content, or for any actions taken in reliance thereon. Nature In Bottle shall not be responsible for any damages resulting from the use of or reliance upon this information.
